me: howdy
Blue: hey, what's up?
me: can you get Gregg to read over the notes the agent just sent us and put aside some time for me to talk to him via phone today?
me: I haven't heard back from him in a couple of days
Blue: yeah, he's at the office right now but I'll let him know when he gets in
me: okay, thanks
me: didn't realize he went into an office
Blue: the computer repair place he was full time at before all the SEO work
Blue: he's still technically an employee, he just likes to pretend he isn't
me: gotcha
